

You Alone

D D/A D/B G /A (repeats throughout)

You alone are all I seek
You alone are my hopes and dreams
You alone are my one desire
You alone (can) set my heart on fire

CHORUS:

With your love, with your love
With your love, with your love

BRIDGE:

You are my all in all, my everything
You are all I need
No one could ever take your place
I love to be lost in your embrace
You are my all in all, my everything
You are all I need

(Chorus 2x)

All that I need is you
You are all I've ever needed
You are my everything
You are all I need

Your love is all I need (4x)
